

# START YOUR ONLINE MINISTRY WITH

*No Money*

WWW.HISDAUGHTERSCLOSET.COM

# Success Roadmap

*You don't need money to get started, you need clarity and a game-plan!*

01

## *The Call*

Before you embark on this journey, you first must say YES to God everything He desires of you. This call is when you first make up your mind to go for it. No matter if it takes a year or five years, no matter if you get discouraged, answering the call is decision to go on the journey that the Lord has for you!

02

## *The Idea*

You'll get many ideas and all these ideas will burn strongly in you, but before you run to implement all seek God on the one idea He desires for you to focus on first.

Pray and get read to take action to see results.

03

## *The Plan*

Now, you take action, this is when you decide the name, the type of ministry you desire (blog, YouTube, Podcast etc.) Once you clarify that you want to pick one platform to focus on for the first year of your ministry. This is easy and free promotion on starting your ministry.

04

## *The Faith*

Now, it's time to show up week after week doing what you were called to do, allow your content to flow from your heart and make sure you stay consistent. Also, trust the process, every follower or subscriber is one more person you can impact for Gods Glory.

# SIMPLE WAYS TO MAKE A LASTING IMPACT!

- Share on A Topic you are Passionate about
- Create Quotes around your favorite topic
- Share a personal lifestyle message
- Share your testimony
- Take a photo of you in your natural state and share inspiration
- Comment back to as many comments as you can
- Answer Direct Messages
- Listen to your audiences biggest questions and deliver
- Engage with your audience on social media through polls and questions
- Share a photo and talk about a insecurity
- Share a photo of your favorite place in your home
- Pray over your audience and all that is to come

# CREATE CONTENT THAT ALIGNS TO YOUR VISION!

## STRATEGY

# 01

### SOCIAL PLATFORM

Pick 1 social platform to post at-least 3x a week! Keep the name your name or your ministries name.

# 02

### GROW A EMAIL LIST

Start getting emails so you can personally pray and pour into others in your ministry.

# 03

### GIVE FREE VALUE

In the growing stage, focus on giving free value and growing your ministry in numbers and impact.

# 04

### DON'T NEGLECT GOD

Keep building your walk with God and don't neglect your alone time with Him. This will keep you empowered on your walk with God.

# 05

### CREATE WITH PASSION

Do not neglect doing the things you love. When you create with passion, you open up the amazing door to keep creating beautiful content that touches lives.

# Brainstorm Your Ideas- *get creative*

Ministries grow through clarity, faith, and execution! Drop down your ideas and get to work on making a flourishing ministry.
